

Storyboard for The Code, page 1

J=Java book

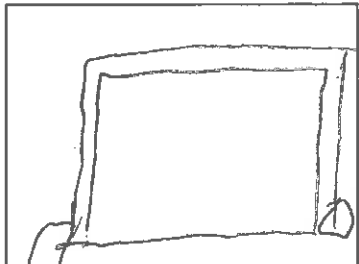

Girl & Boy sit at table

C=computer
G=girl B=boy T=table

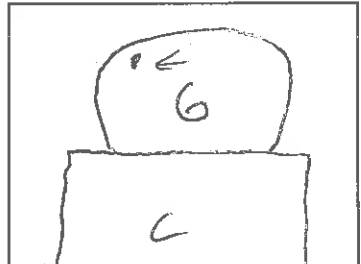

Pan into girl. She's our main character.

Character.

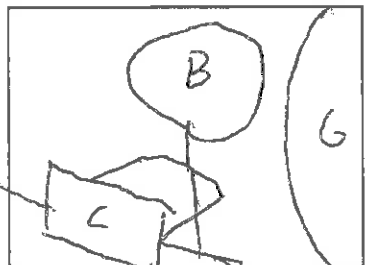

Over-G-shoulder on computer.

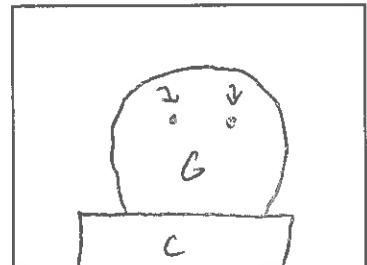

Artist.

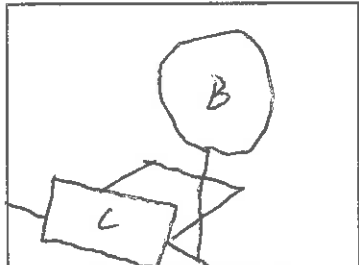

Girl's eyes glance toward boy

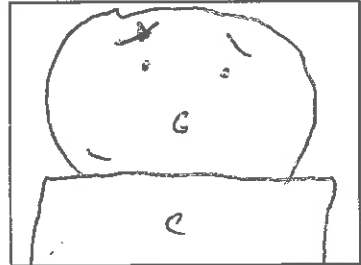

Girl glances at boy. Boy eventually looks at her

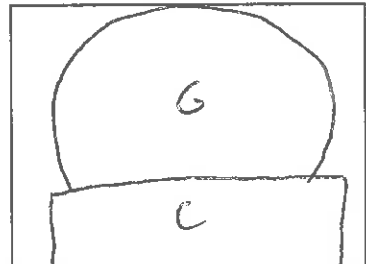

Girl pretends to look at computer

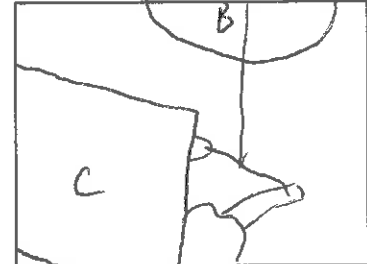

Boy: "Can you help me adjust the shades for your models in Unity?"

Close-up on girl. He spoke to her

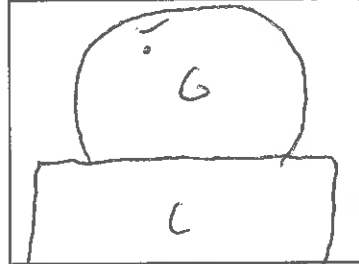

"I really want to but I don't ^{really} know about programming"

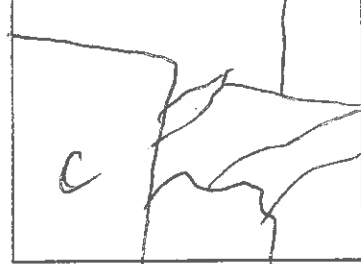

Close-up on Boy's coding hands.

"Whatever, I'll deal with that."

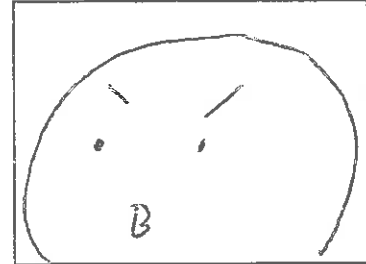

Girl sneaking glances at boy

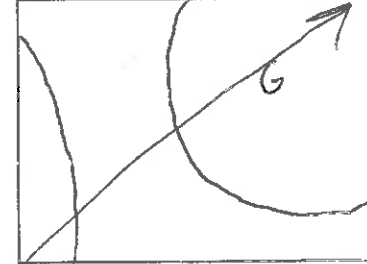

X-CU on boy's hands..

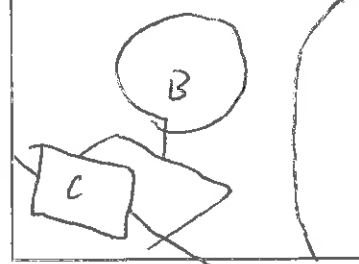

"Just remember that

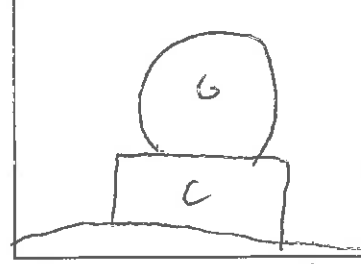

... and intense, focused eyes

Girl still looking

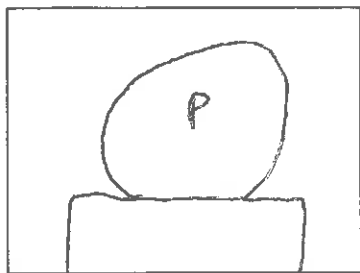

Boy doesn't look up from desk at all.

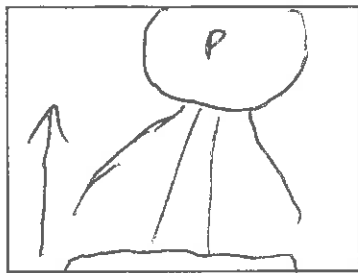

Girl looks sad

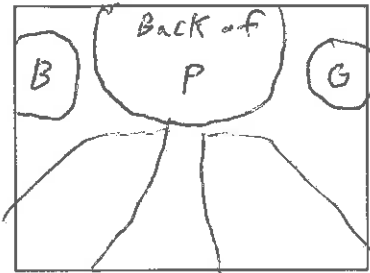

our presentation is in 3 days."

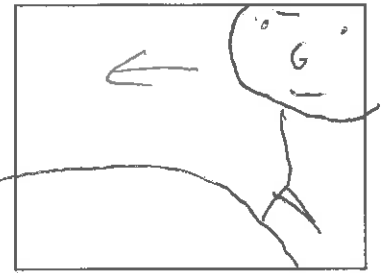

Scene transitions into Professor at his/her own computer
P = Professor

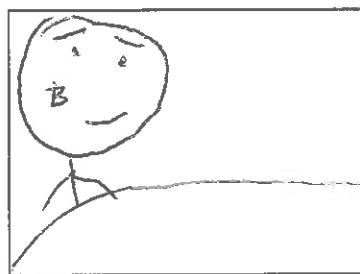

professor stands up, with camera, to congratulate them.
"You have done a wonderful project & demonstrated good teamwork..."

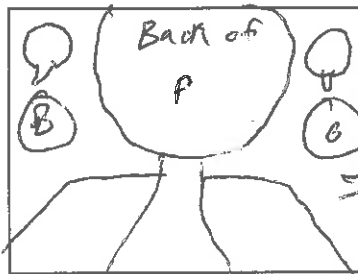

Professor looks at characters

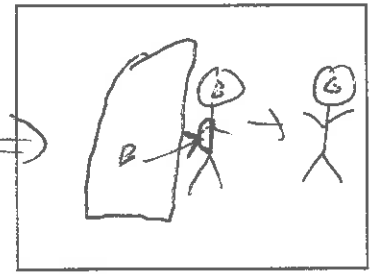

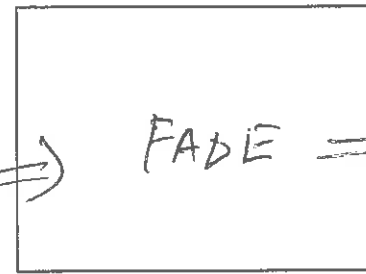

Girl sneaks a glance at boy,

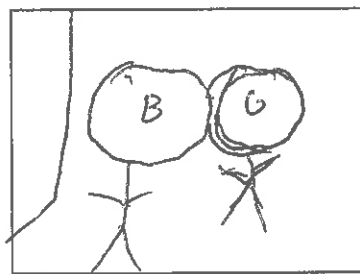

He actually looks at her & smiles!
"... and cooperation."

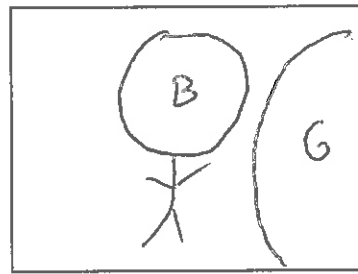

"Thank you professor"

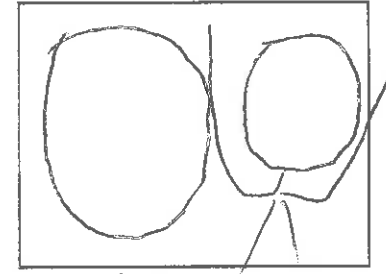

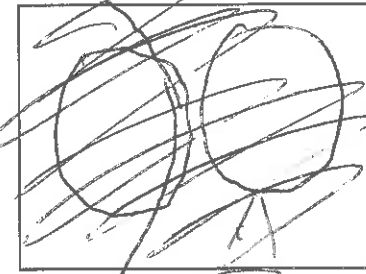

Characters exit room, happy, in MS
B = backpack

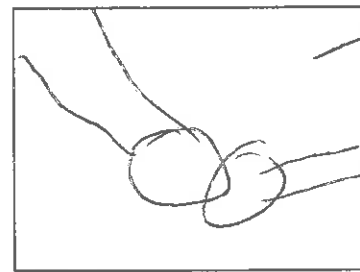

Camera moves with them, Girl is happy.

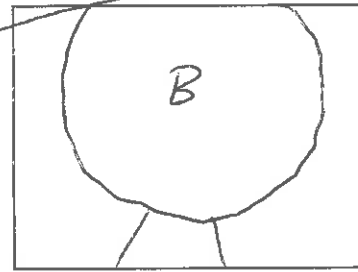

Boy is happy the code worked

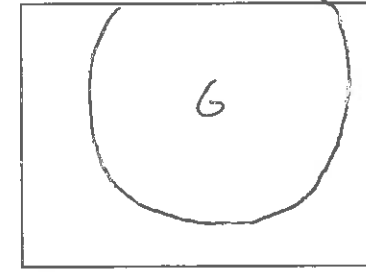

Girl is really happy

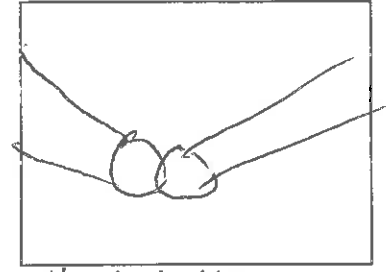

X-CU as girl takes boy's hand in happiness

CU on boy's face. He frowns

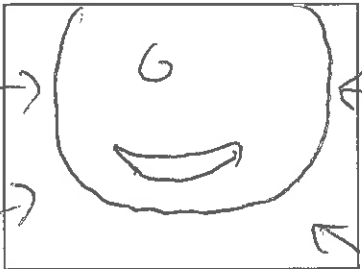

Significant looks. CU on girl

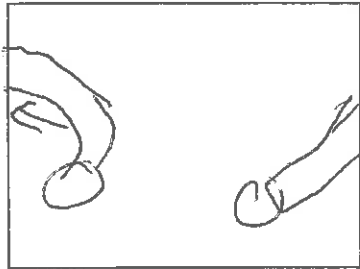

Hand-holding fingers

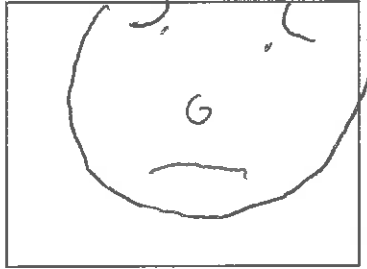

maybe work in some diagonals here?

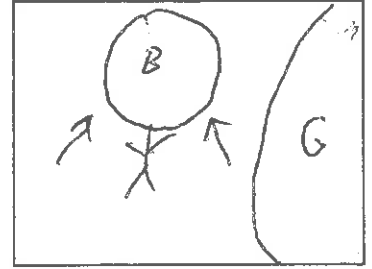

CU on girl as she smiles

Boy pulls head away

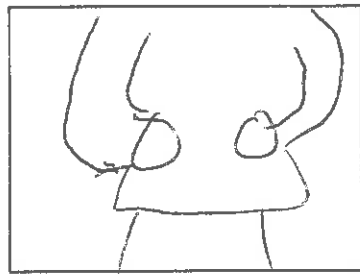

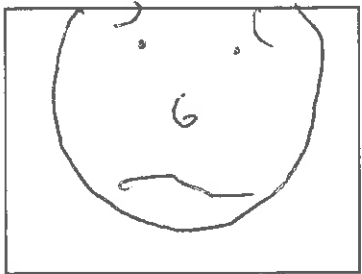

CU on girl's face

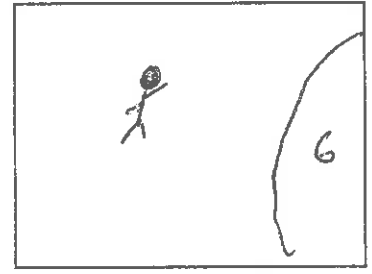

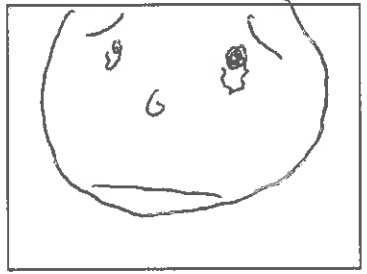

"I can't."

Quick cuts →

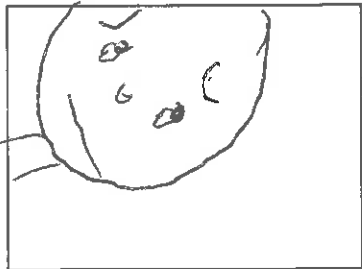

MS on boy's hands

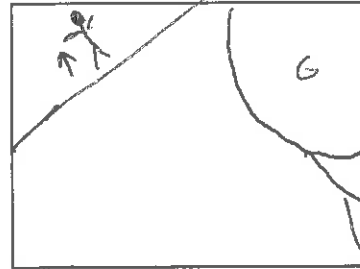

Boy runs away

"You know nothing about programming" "I'm sorry."

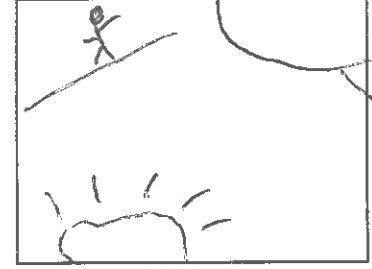

Camera starts to spin

Camera spinning

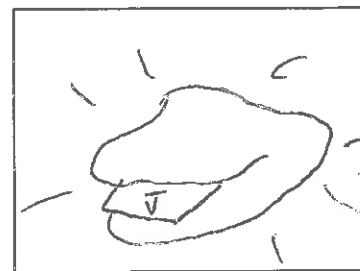

X-X-CU on eyes

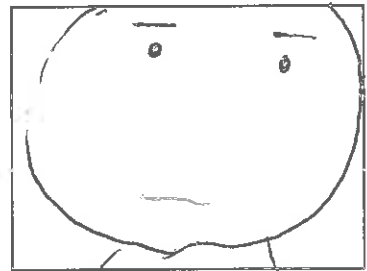

Camera still spinning → reveals that boy forgot his backpack.

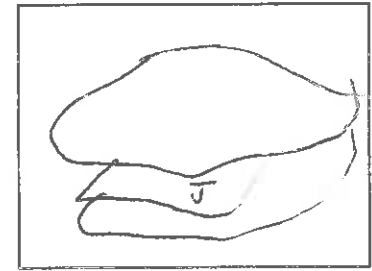

Camera straightens up abt 4

Backpack on ground. Intro to Java book is visible, hangin' out.

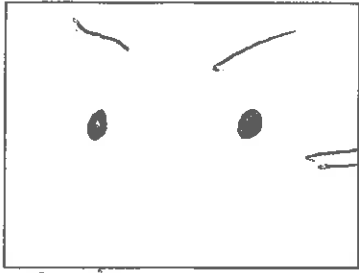

Camera pushes in to girl

Close-up on Java book

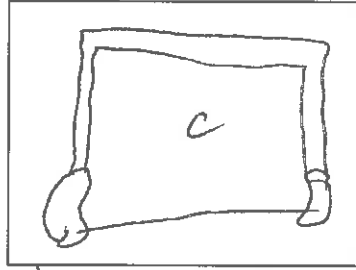

Transition

Girl's eyes become determined

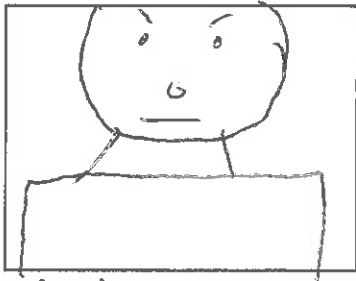

She's back in the conference room

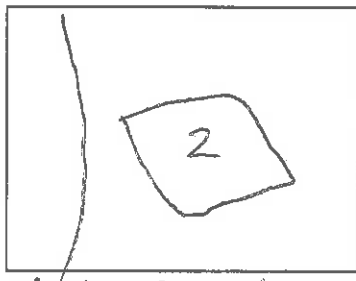

Like third shot in film, over-shoulder on computer

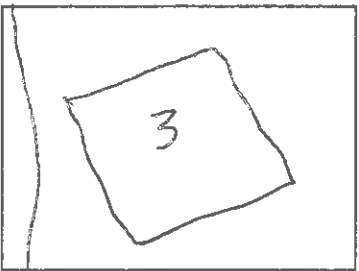

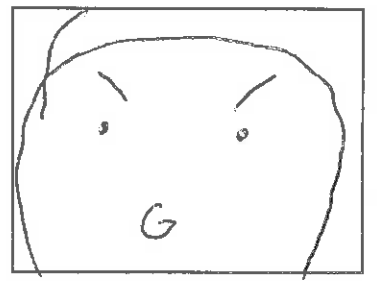

Girl sits up straighter. She's taller. Glances down at book:

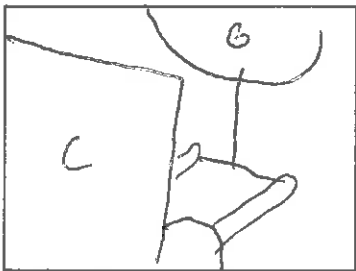

Girl codes. Vertical lines.

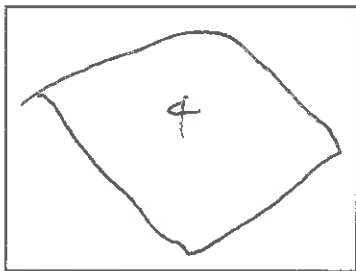

Cut. Book has changed to more advanced coding book

EVEN MORE ADVANCED BOOK

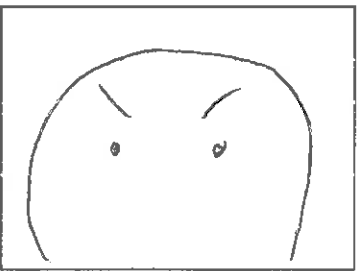

Girl codes

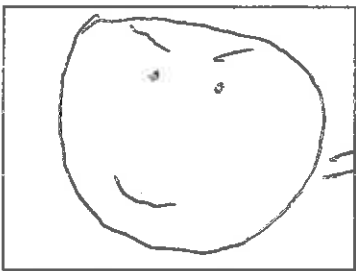

SUPER-ADVANCED BOOK

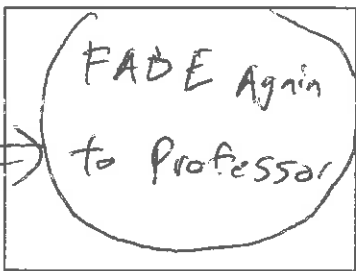

Close-up on Girl's own hands

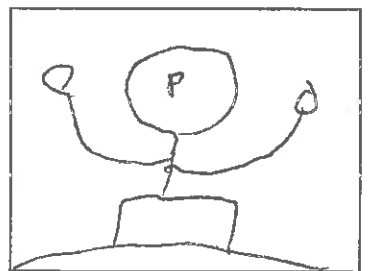

Camera pans down a bit

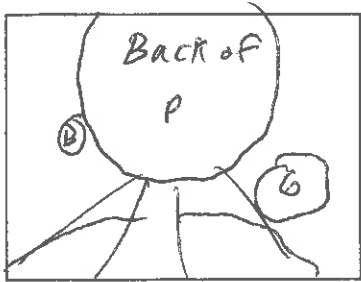

Girl smiles

FADE Again to Professor

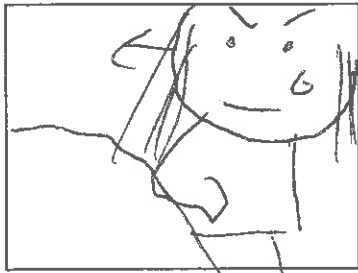

Camera pans out from face

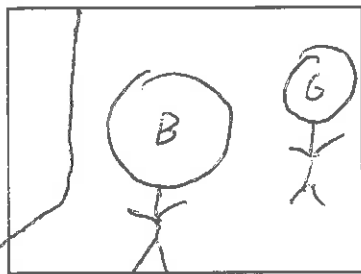

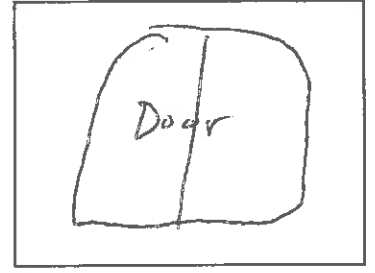

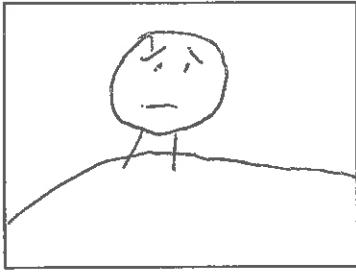

Professor looks at characters, girl is closer

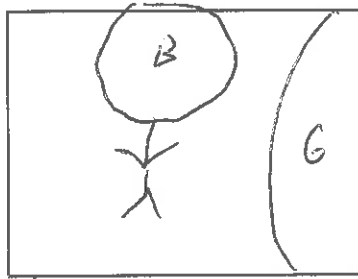

"I've never seen code like this before"

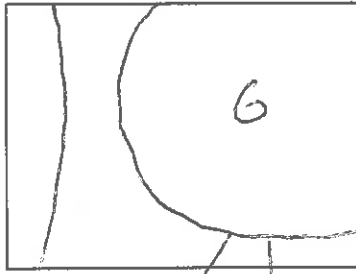

Girl gives boy an angry look

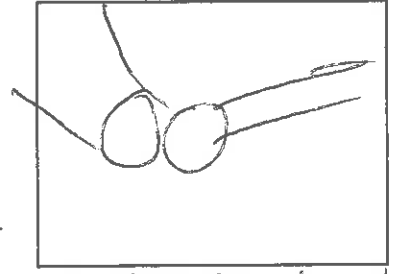

Boy follow girl out of room

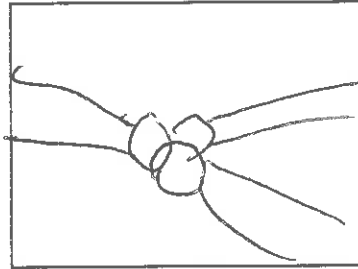

"Hey, wanna go for coffee?"

Girl looks at Boy

Takes his hand

She places second hand over his hand. A sign of pity.

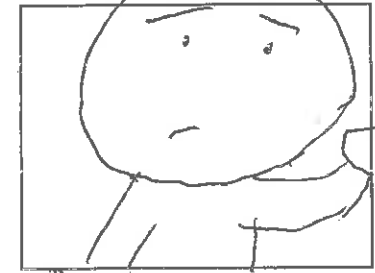

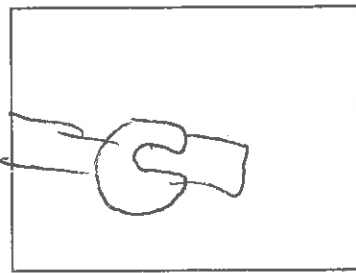

~~It's~~ It's -

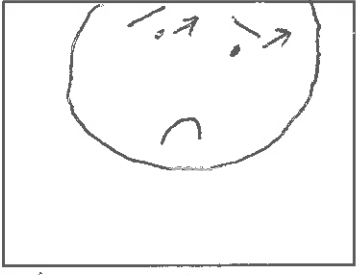

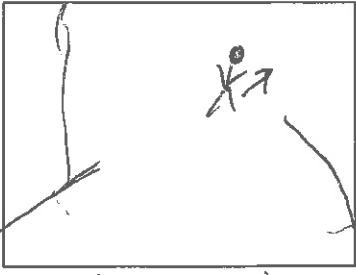

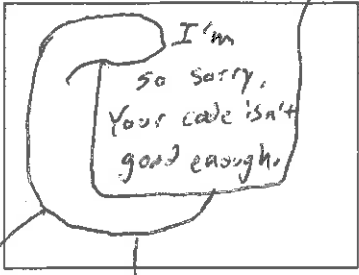

A note!

Girl turns and walks away

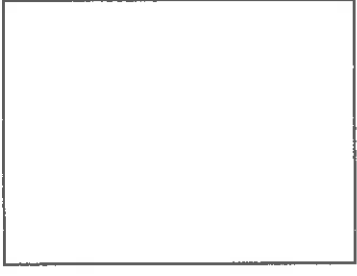

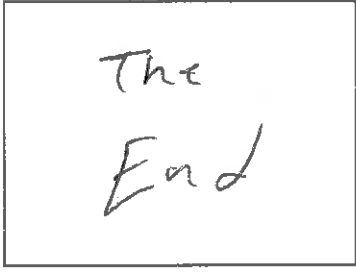

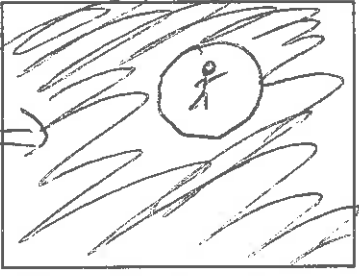

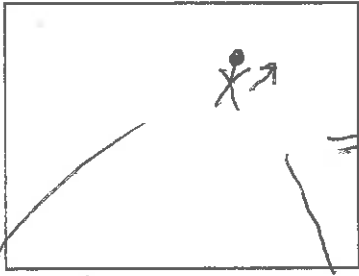

Boy raises note to eye level

Sad Boy expression

Note comes down

Boy looks up

Girl confidently strides away

Transition to black

The End
